

C-22021 Food and Supplies for Nutrition Services

Food and Paper goods for the District Food Service program consists of approximately 400 various food items (frozen and dry goods) and paper items (food bags, food handling gloves, lunch trays, utensil packets, towels and cleaners. The intent of bid is to award all items or a majority of the items to one vendor by product grouping. Bids were received from three bidders and recommendation of award is to Kohls Wholesale for grocery and paper based on a ranking system of price per unit; product specifications; service and delivery; responsiveness of most or all items in each category; overall qualifications including percentage of items bid, licensing and experience with this district or districts of comparable size and services needed, responsibility and comparable business references.
