

C-23007 Student Assessment System

Seven responses were received. The Elementary and Secondary Assessment Committees saw presentations on three companies and then rated them based on several factors including ease of use, content coverage, usability of results, and applicability for intervention planning. The committee also rated our existing system for comparison. The feedback was then analyzed by employee groups (teachers vs district level staff and administrators) and shared the results with the cabinet for additional feedback and review. After reviewing all the proposals, presentations, and feedback from over 40 staff members, the District is recommending we adopt the assessment, iReady from Curriculum Associates, LLC. In addition to meeting the goals above, adopting iReady will give us a single-unified assessment system in elementary through high school, since iReady is already our assessment vendor at the middle school level.

Year 1 Total	Annual Recurring
\$150,507.20	\$101,507.20

Award to **CURRICULUM ASSOCIATES, LLC** - North Billerica, MA
