

Bid Awards for Medical, Dental and Prescription for Calendar Year 2023

The Board of Education provides employee benefits to eligible employees through self-insured funds. Annually the medical, dental and prescription plans are reviewed and considered in order to meet employee needs and align with Board-authorized budgets for the program.

The RFP process was completed over recent months in conjunction with Marsh & McLennan Agency, CPS Benefits' Consultant, and included interviews.

A summary of the 2023 benefits is as follows:

C-23008 Medical TPA/Network Cost Containment Services

- Medical insurance to be provided by UMR

C-23009 Dental Administration Services

- Dental insurance to be provided by Delta Dental

C-23010 Pharmacy Benefit Management Services

- Prescription drugs to be provided by Express Scripts through St. Louis Business Health Coalition
