

Shaving Cream Art

Safety Tip

If your child has sensitive skin, use hypoallergenic, scent-free shaving cream.

How do we do it?

What Do We Need?

- ✓ Can of shaving cream (non-mentholated)
- ✓ Tray or cookie sheet
- ✓ Objects to explore shaving cream

1. Spray shaving cream on tray.
2. Have child explore shaving cream with hands and fingers.
3. Add small toys/objects to "hide" and "find" in the shaving cream.

What's in it for us?

- ❖ Children learn with their senses. Your child will explore with the sense of touch, smell and vision.
